Compatibility

Compatible with PC and Mac laptop and desktop computers

Transfer

Up to 10x faster than standard USB 2.0 flash drives

ATTACHÉ 5 USB 3.2 FLASH DRIVE

Fast and Reliable Performance

The PNY Attaché 5 USB 3.2 Flash Drive offers impressive speeds of up to 100 MB/s read transfer rate, making it an excellent choice for quickly transferring documents, photos, and multimedia files.

Sleek and Elegant Design

Featuring a sleek black exterior with a smooth, rounded surface, the Attaché 5 is not only stylish but also durable. The PNY logo is elegantly embossed using a subtle debossing technique, adding a touch of sophistication to the device.

Capless and User-Friendly

Designed with a convenient capless push-pull mechanism, this flash drive eliminates the risk of losing caps while making it easier for you to connect to your computer or other devices. The debossed logo also provides a comfortable grip, ensuring a secure connection every time.

Upgrade your data storage and transfer experience with the Attaché 5 USB 3.2 Flash Drive – where speed meets style !

PRODUCT INFORMATION

PNY Part Number	32GB: P-FD32GATT5-GE 64GB: P-FD64GATT5-GE 128GB: P-FD128ATT5-GE 256GB: P-FD256ATT5-GE 512GB: P-FD512ATT5-GE
-----------------	-------------------------------------------------------------------------------------------------------------------------

*For Flash Media Devices, 1 megabyte = 1 million bytes; 1 gigabyte = 1 billion bytes. Actual useable capacity may vary. Some of the listed capacity is used for formatting and other functions, and thus is not available for data storage.

**Speed quoted for USB 3.2/USB 3.0 devices. Write speed may be lower. Speed is based on PNY standard USB 2.0 (3MB/s) write speed. Performs at USB 2.0 speeds when used with 2.0 devices.
